## Build America, Buy America (BABA) Compliant

The Build America, Buy America Act (BABA) is a U.S. law that requires federally funded infrastructure projects to use American-made iron, steel, manufactured products, and construction materials to strengthen domestic manufacturing and supply chains.

MoboTrex cabinets, SA poly signals, SG poly signals, aluminum signals, and backplates are all Build America, Buy America (BABA) Compliant, proudly built in the United States by American workers.
